

GREENBAY LED G3

HGP

New Generation 3 flagship LED highbay to replace and compete with conventional and competitors solutions in a wide variety of industrial applications with humid and dust protection, for both retrofit and new installation market.

The Greenbay LED G3 Highbay luminaire can directly replace 250w and 400w HID high-bays, thereby generating significant energy savings.

When there is a power failure, downtime is reduced with Greenbay LED G3 Highbay, as it turns on instantly, compared to the slow run-up of HID lamps.

The luminaire comes with high-quality optics, ensuring excellent lighting performance in different application areas. 30-40% lighter design than the previous version.

With a choice of mounting methods, installation is easy and secure.

Type	BY698P – 110w LED BY698P – 160w LED BY698P – 200w LED BY698P – 300w LED
Lamp Colour	Cool White – 6500K Neutral White – 4000K
Lumen Output	110w 14190lumen 160w 20640lumen 200w 25800lumen 300w 38700lumen
Optics	Wide Beam Narrow Beam Extra Narrow Beam for 29klm
Colour Options	Silver (SI) Brushed Aluminium (RAL9006)
Material	Housing die-cast aluminium Cover Tempered glass Driver box steel
Mounting Options	Suspension – Hook Pipe – Pendant Bracket – Wall
Smarter integrated control system	- PSR (1-10v) / PSD (Dali) PIR (Movement Detector Sensor) ACW (Actium Wireless) + PIR / DDR sensor

Detailed specification and IES photometric files available on request
