

WAREHOUSE PIR SENSOR

SWP

Hi-Sense is an increased performance PIR presence detector developed for high bay lighting control in areas with demanding spaces and increased mounting heights. It is responsive to the constant shift of people's lighting needs by being programmable and adjustable to produce an exceptionally accurate detection beam.

- IP44 rated
- Ground breaking detection range up to 40m at a 15m mounting height
- Maximum mounting height up to 20m
- Unique lens technology – high sensitivity within the detection range
- Ideal for high bay applications
- Adjustable masking shields to tailor detection zones
